U.S. DISTRICT COURT
DISTRICT OF MASS.

Dear Clerk,

On 7-19-2004 A motion for Emergency Appointment of Counsel was filed for me in your court, and by letter from your office I was advised that the case was forwarded to Pro Se Attorney for review.

Could I please find out the status of this case and or the address to the pro se Attorney to find out what is happening here. I filed this as an emergency motion because once I am extradited the court here loses jurisdiction and therefore, to establish my Rights Violation in this jurisdiction, I must be able to proceed with counsel prior to my extradition.

Please Reply Immediately Concerning
this Cause. Time is running out.
Thank you
